

You can see the difference.

Study shows Mutoh Eco Ultra inks have less color shift than the competition.*
 Mutoh Eco Ultra inks are more durable and maintain their vibrant color longer.

$\Delta E \geq 6.5$ can mean a discernible difference in color accuracy

* This test data is a measurement result based on JIS K5600 testing.

A = Mutoh Eco Ultra ink / **B** = Epson Ultra Chrome GS2 inks

GS6 = Epson Ultra Chrome GS ink
